INFORMATION DISCLOSURE STATEMENT

Under 37 C.F.R. §§ 1.56 and 1.97(b) Applicants disclose to the Examiner the documents listed on the attached IDC form PTO-1449. Applicants have omitted copies of each cited U.S. patent reference as waived under 37 C.F.R. § 1.98(a)(2)(i); a copy of each other cited document is enclosed. Applicants respectfully ask the Examiner to consider each document and note that consideration where provided on the IDC.

The relevance of the non-English references is explained in the specification and/or in the enclosed English language search report issued by the European Patent Office in the international stage of this application. For those non-English documents not cited in the specification or the foreign search report, Applicants have cited to an English-language equivalent or provided a translation of the document into English.

This Statement does not represent that a search was made or that no better art exists and does not constitute an admission that the listed documents are material or constitute prior art. Therefore applicants reserve the right to present to the Examiner the relevant facts and law regarding the status of each listed document. Applicants further reserve the right to take appropriate action to establish patentability of the claimed invention over the listed documents, should any be applied against the claims.

No Office Action on the above-referenced application has been received by Applicants, and therefore no fee for submitting this IDS is believed to be due. However, the Commissioner is hereby authorized to charge Deposit Account No. 01-1250 if any fee under 37 C.F.R. § 1.17(p) is needed to have this statement entered and the references considered by the Patent and Trademark Office.

Respectfully submitted,
